HAPPY CABIN DAHLIA GARDENS

BETTY G. (Happy Cabin), B-SC-Autumn. Bush 4 1/2 ft. Bloom 8-6. Color a subtle blend of Marigold Orange and Shrimp Pink over Empire Yellow.

We are sticking our neck out on this one, but we feel we are justified, to try and give you a thing of beauty and joy forever. Have you ever marveled at a sunset, so brilliant, yet so soft and compelling, that you could not move your eyes, until it faded slowly into the west? Just so this dahlia has affected us from the very first. Over a field as large as ours, which is a mass of color, it is hard to pick out one more colorful than another. Not so, Betty G. From the start it has been head and shoulders above any other. Bright sunny days, it was gorgeous. Rainy, dreary days, when all other blooms were drooping, there she stood, still a spot of sunshine. Always erect, never bedraggled, and never an open center. Excellent bush growth, clean healthy foliage, strong stems, carrying blooms well above well proportioned foliage. Very little if any disbudding necessary. One fault, IF IT IS A FAULT, tends to top facing, but so do many others, that win consistently on the Show Table. One of the best keepers, both on the bush and in water, we have ever had. An early and consistent bloomer, holding size throughout the season. Those of you who are after sheer joy and beauty, will love it. Roots 10.00 Plants 3.50

NEW AMERICAN INTRODUCTIONS FOR 1958

(Plants only)

CASCADE CUPID (DeRooy-Rocky River) A golden yellow formal, or ball, averaging about 4 inches in diameter. Extremely early and prolific. Certificates of Merit at East Lansing and Cincinnati. net 2.00

CHRISLENE (Crystal-Dah. G-Dahl) B STC M Bloom 7 x 4, Bush 4 1/2 ft. Light blend of Venetian pink changing to light primrose yellow at center. Dainty and appealing all season. Fine form, and clean pastel color that will easily win on the show table. Winner of many firsts, and scored in 4 Trial Grounds. net 3.50

CLARIAM IDOL (Wolbert-Rocky River) A "B" size California Idol; color and formation closely resembling that variety but with better proportioned stems. Seedling Sweepstakes award at Chillicothe, Ohio. Certificate of Merit at Atlanta. A.H.A. medals at Toledo and Cincinnati. 8 inch blooms will have no serious competition in the yellow informal "B" classes. net 3.50

HELEN M. (Schwanebeck-Brieger-Rusch.) A dahlia needed in the A type dark blend class. Blooms 10" x 6". Color deep Persian Rose, overlaid with an orchid purple. Seedling of Quinn's Tidal Wave. Plants healthy with heavy dark green leathery foliage. Plants 5½ ft. tall. Blooms held at 45 degree angle. Certificate of Merit at Eastern Trial Grounds, and Midwestern Trial Grounds.

net 5.00

IVA JEAN (Lundgren-Dahl) B IC E Bloom 7 x 4, Bush 4 ft. The most outstanding dahlia in the trial grounds, and does well both East and West. Unusual for Bi-color as all blooms are evenly and distinctly tipped white on soft cyclamen purple. Easily grows 7 to 8 inches. A good grower, and fine for exhibition. A.H.A. medals, Seedling Sweepstakes, and scored in four trial grounds.

net 3.50

LAWRENCE WELK (Gamston) FD BB 5 x 3, A soft Mauve, much needed in the lavender class. Won three Seedling Sweepstakes, and A.H.A. medals. Equally good for exhibition or as a cutflower. Vigorous plants, always filled with blooms.

net 2.00

LEMON ICE (Dudley-Dahl.) BB ID M Bloom 5 x 4, Bush 3 ft. This most unusual dahlia is primrose yellow with the center of each petal distinctly tipped white. Ball shaped with petals completely covering the stem. Appealing in color and in its useful size. Scored on Long Island '56, and Atlanta in '57.

net 2.50

LITTLE PLAYMATE (Wood) BB IC Empire rose pink. Incurved cactus blooms held half facing on plants 4½ to 5 ft. tall. Stems 6 to 9 inches, strong straight to curved. Scored in 3 ADS Trial Grounds, East Lansing, Farmingdale, and Cincinnati. Health excellent, habit erect. Early bloomer. (Rusch)

net 2.50

MISS MAGOO (Harter-Rocky River) A variegated Jersey beauty except the pink is a deeper color, streaked and speckled with spectrum red. Blooms 6 inches in diameter. Plant growth is similar to Jersey Beauty with slightly heavier foliage. Certificate of Merit at Atlanta.

net 3.50

MOUNEY C. (Comstock) BB FD Wh. Paper white blooms of excellent substance, making it an ideal cutflower. Blooms 5 x 4¾. A prolific bloomer on plants 4 to 5½ ft. tall. Health excellent, habit erect, branching. Flowers facing to erect, mostly half facing. Four A.D.S. certificates with an average score of 85.3.

net 3.50

SOPHIA R. (Roberts-Rusch) A pure white formal decorative of 10" x 5½", with stems of 10 inches, holding blooms on the side Bush 6 ft. A.H.A. medals. Mid-West at St. Louis and at the Southtown Show in Chicago. Certificate of Merit at Southern Trial Grounds in Atlanta, Ga. This dahlia was named for the good friend of all dahlia growers, North, South, East, and West, Mrs. Louis (Sophia) Roberts.

net 5.00

TREASURE (Mason-Dahl.) M SC M Bloom $3\frac{1}{2}$ " x 2", Bush 2 $\frac{1}{2}$ ft. A little treasure in an even tone of Tyrian pink. Not just another pink, but really dainty and beautiful, in bloom all season, even liked our hot summers. Blooms have many petals, and full centers to end of season. Wonderful for cutting, and just right for exhibition. Scored 85 at Georgia Trial Grounds. **net 2.00**

VERA SEYFANG (Baynes-Rocky River) A Rocky River exclusive from Australia. A 10 inch formal of light mallow rose with a neat array of petaloids of the same color. Very distinctive. Flowers have a good depth, and substance is unusually good for an "A" size variety. Strong, nicely proportioned, dark stems, holds blooms facing, to up. Robust plants with dark green, waxy foliage. A.H.A. medal at Cleveland as well as a Seedling Sweepstakes' award. Certificates of Merit from all five official A.D.S. Trial Grounds. **net 5.00**

WHITE MORNING (Malcolm-Rocky River) This ball-shaped white formal miniature resembles an improved Jean Kerr. A heavy producer of 4 inch blooms which are nicely suited for cutflower work. Certificates of Merit at East Lansing and Cincinnati. **net 2.00**

Descriptions of above are those of the Introducers.

1958 AND RECENT FOREIGN NOVELTIES

Plants only net.

AMBER DREAM B-IC 7 x 5 inches. A beautiful exhibition variety with medium-sized deeply incurved flowers. Pure salmon amber with a golden center. Early and free flowering variety. 4 ft. **1.50**

AMI PARDIEU B-IC 5 ft. terra cotta red to bright golden center. 9 inches, and all around exhibition variety. Full blooms are carried on long and rigid stems. Was on HONOR ROLL USA, 1956. **1.60**

BARBARA MARSHALL A-FD 5 ft. fiery orange scarlet exhibition giant, easily measures 12 inches or better. **1.00**

BELLE OF THE BALL A-SC 9 x 6 inches. A fine pure pink with lighter center. Flowers with excellent formation, are very deep, and carried on faultless stems. At their national show, was chosen by popular vote as the most beautiful dahlia of the show. Selected for Wisley 1957. **3.30**

BEST SELLER B-SC 6 $\frac{1}{2}$ x 4 inches. Considered a great improvement of Carnaval. Color much brighter, a dazzling orange-scarlet. Formation and stems resemble Carnaval, but are more perfect. Very early and prolific, and never shows a bad center. Certificate of Merit A.D.S. 1956, and selected for Wisley 1957. A long good future predicted for this one. **3.00**

BRIGHT DRAGON A-SC 4 $\frac{1}{2}$ ft. canary yellow. Massive and deep blooms of good exhibition type, carried at a 45 degree angle. Highly recommended. Honor Roll A.D.S. 1956. **1.00**

Happy Cabin

BROWN'S LEO (Pom.)	Flaming red, tender yellow base. Excellent.	.75
BROWN OWL A-IC	4 ft. golden dawn. A remarkable exhibition bloom from South Africa. Long petals are narrow rolled from base to tip, and are widely incurved. Purple florets deepens color at center of the large bloom. A 10-incher.	1.50
BRUMAS B-FD	6½ x 4 inches. Leading Dahlia growers in Holland voted this to be the best pure white medium decorative ever raised. Pure white, perfect formation, and excellent stems. Opens fully in water, from a young bloom. What more can we say than this? Winner of 1957 Challenge Cup, and selected for Wisley, 1957.	4.00
CAPISTRANO A-ID	4½ ft. brightest canary yellow. Full centered blooms with broad curling petals, and also very full petaled.	1.50
CHERYL B-FD	A new one from Australia that differs from Jersey's Beauty in size only. Early and prolific. Selected for Wisley Trial 1957.	1.50
CITY LIGHTS BB SC	5½ x 3½ inches. Fine sulphur yellow blooms, lightening towards the tips. Prolific bloomer, and may be considered an improvement of the well-known Hoek's Yellow.	1.00
CLEOPATRA A-SC	Dark canary yellow exhibition bloom. Blooming continuously from early to frost. Best stem, healthy growth. Certified at the trials and Holland Cup-rival, 1957.	3.50
DANCING DOLL M StC	The best of all white miniatures. Perfect blooms on perfect stems. Early and free flowering variety with great promise for the show table and also the garden.	1.00
DR. McKEEN CATTELL A-SC	Cinnamon blend. Japanese novelty absolutely sensational. The largest frilled type ever grown, with blooms 14 inches in diameter and good depth.	3.00
FICKLE A-IC	9 x 5½ inches. An exhibition dahlia with large blooms on long stems. The long, incurving petals are deeply laciniated which gives a wonderful appearance to the flower. Rich apricot overlaid salmon with golden center, really gorgeous.	3.50
FIRE BALL B-FD	4½ ft. velvety red. Striking blooms are of perfect ball-shape, and outer petals recurve to the stem. Flowers are long lasting, both cut and on the plant.	1.50
FOLIES DE DENTELLE B-StC	4½ ft. 7 x 4 inches purest clear pink. More feathery than any other type. Name means "Follies in Lace." Each bloom has many more than average number of petals in cactus types. Each petal is deeply split into four or five points.	2.00

FOREVER M-SC	4 x 3 inches. A miniature of great merits which will be difficult to beat in the competitive classes. Blooms are of perfect formation, with more than the usual depth. Excellent keeper as a cut-flower. Deepest pink without any lavender touch. Selected for Wisley 1957.	2.00
FRANCOISE B-StC	The only purple frilled cactus yet known. A constant bloomer of perfect depth and good habit. Winner of the Belgian Championship in 1956. Petals are deeply serrate without a tangly performance.	2.50
FRESCO	4 1/2-5 ft. An exhibition cactus. Purest pink that deepens to the center.	1.25
GEORGE WILSON A-FD LtBlwW	A giant formal with splendid formation, and an appealing color of white heavily suffused with lavender. Exhibition variety.	1.00
GOLDEN AUTUMN B-SC	7 x 5 inches. The unusual radiating color of deep golden apricot, makes this lovely dahlia one of the finest and most satisfactory that has been introduced in recent years.	1.50
GOLD FISH B-SC	7 x 5 inches. A most unusual color combination of deep orange with large bright yellow petal-points. General impression is very attractive, but the introducer warns that centers are not always perfect. However we feel that the bright color combination will offset this.	1.50
GOLDEN GORSE A-ID-Au	This dahlia is an exceptionally good one in its color, though we have had bad luck to lose the stock for one reason or another, for three years now. However we like it so well, try again each time we lose it.	1.25
GRAND STYLE B-IC	7 x 4 inches. Most people who saw Grand Style grow agree this is the very best of its color. A bright pure pink, center nearly white. Perfect stems, good formation; early and free-flowering. Good keeper as a cut-flower. A fine novelty with a good future.	3.30
HAPPY MOOD M-SC	3 1/2 x 2 1/2 inches. Splendid deep flower on good stems. Sulphur yellow with fairly broad petals. This lovely thing was highly recommended to us last season, by the Kovars of Cleveland.	1.00
HIGH LIFE B-IC	Deep amber with golden center. Free-flowering, and a real high life in dahlias.	.75
HEIMATLAND B-SC	Mauve to pink. A faultless shaped exhibition bloom on longest stem. Color does not fade. German novelty, highly awarded in England and Holland.	1.50
LADY K. A-IC	Coppery orange, warm autumn color. Another exhibition bloom from Rhodesia-Africa. Stems are long and erect. Stock is very limited.	3.00
JANET (Pom.)	Apricot suffused vieux rose. Charming.	1.00
LAWSON (Pom.)	Maize yellow, suffused and definitely laced purple. A prolific plant; perfect shape. New.	.75

Happy Cabin

LESLIE MARKS (Pom.)	Very fine yellow Pom. New.	1.50
LITTLE PIETER L (Pom.)	Ball. Excellent pure white cut-flower. Long lasting in water. 3 $\frac{1}{2}$ ft.	1.00
LITTLE WILLEM S. Pom. BiPr&W	This cupwinner is sold out each year, by the time my order gets there, so am trying again, and hope to have it for sure this year. Purple tipped white. Perfect Bicolor.	1.00
LORD MAYOR A-SC	12 x 5 $\frac{1}{2}$ inches. We are trying this again, as had bad luck with our stock last year, but reports are so good from all sources, that we will try again. Form is very large semi-cactus, and color beautiful rich golden bronze. Healthy grower, with insect resistant foliage. Tall grower and listed as a good rootmaker.	2.50
LUCKNOW A-FD	Rich golden yellow blooms of almost ball shape and close backward to the strong but slender stem. From New Zealand.	1.75
MARTYR B-IC	4 ft. royal velvet, suffusing to salmon blend at base of outer petals. Formation like our lovely Lyriek, a unique dahlia.	1.00
MISS UNIVERSE A-SC	9 x 6 $\frac{1}{2}$ inches. A huge long cane-like stem, carrying blooms which are nearly ball shaped, deep burnt orange without any shades. Best of the year, wherever grown and shown. Winner over 120 competitors at the Aalsmeer trial gardens. Selected for Wisely 1957.	4.00
MRS. DALE B-StC	7 $\frac{1}{2}$ x 4 $\frac{1}{2}$ inches. Perfect blooms of a very unusual reddish purple, splendid formation. Stems ideal. Shy bloomer, but every bloom is of exhibition quality. Do not confuse with the American Marilyn Dale. This dahlia highly recommended to us by Mr. Natterford of California.	1.25
MRS. McDONALD QUILL A-FD	Velvety crimson to black at center, heavily tipped white. Blooms may grow to monstrous size for a formal bi-color, and are carried at correct angle. Really beautiful.	1.50
MY FANCY DwB (Cac.)	3 $\frac{1}{2}$ x 2 $\frac{1}{2}$ inches. A wonderful addition to the dwarf bedding class. Forms an ideal bush, which carries blooms well above the foliage. Creamy yellow in center, fading into nearly white towards tips. A great bedder. Why not try some in your flower borders. They are really coming to the fore.	1.00
NEW FUN DwB (Dec.)	4 x 3 $\frac{1}{2}$ inches. Another good bedder. Dwarf plants are covered with fairly large blooms of a pretty salmon color. Blooms nearly cover bushes. Selected for Wisley 1957.	1.00
OHIO MAID A-FD	4 $\frac{1}{2}$ ft. white exhibition giant; blush at reverse of petals deepens the effect. Stems are strong. Try it.	2.75

OCTOPUS B-IC 8 x 4½ inches. Wonderful novelty which is easily recognized as the best yellow incurved cactus. Flowers have a great number of narrow petals, the points of which incurve to the center of the flower. Color is a beautiful light yellow and stems are very good, though not too long. An exhibition dahlia. **1.00**

PERFECTOS B-SC 7½ x 5½ inches. One of the finest red dahlias for exhibition purposes. Formation borderline between semi cactus and straight cactus, with great depth. Outer petals fold back to reach the stem, forming a nearly ball shaped flower. Brilliant red. Perfectos deserves its name. **1.65**

PERTILLION B StC A very useful, medium size cut-flower of free flowering habits. Good blooms on excellent stems. Color apricot-yellow with golden center. **1.00**

PINKETTE M-IC 3½ x 2 inches. Vivid pink with some gold at the base. One of the finest cut-flower minatures. Very free-flowering. **1.25**

PIQUANT B-SC BiR&W This dahlia is not a new one, but one of the best of its kind to come out of Holland in recent years. A bi-color that is dependable. Red evenly tipped white. We lost our stock again by water damage this past year therefore the listing in this column. **1.00**

PRETTY LASS BB-StC 5 x 3 inches. Wonderful novelty with great qualities both as a cut-flower and a bedder. Unusually early and a prolific bloomer. Blooms lavender pink with some white at base, on long thin wiry stems. Excellent. **1.00**

PY. S (Pom.) Best bright yellow pom for exhibition purposes. Ideal form and stem. **1.00**

REAL PINK BB-FD 5 x 3 inches. Blooms are a wonderful regular formation and have a bright uncommon pink color. Stems are erect and long. Best and beautiful. **1.50**

RED JOY BB-SC. 5½ x 3 inches. This is another that we had the misfortune to lose by water damage, and it is a must, so list it again in this column. Striking red color that glistens in the sunshine. A winner. **1.00**

ROYAL SIGHT A-SC-LtBl Rhodamine purple pink with pure white center. Long rigid stems and blooms have good form. A very fine dahlia. **1.00**

SALMFEUER B-IC Deep salmon medium sized blooms in great profusion. One grower says that stems could be stronger. Sounds good for bedding. **1.50**

SATISFACTION B-SC 7½ x 5 inches. This is classed as unbeatable in floriferousness. Introducer says that bush is covered with an uncountable number of blooms throughout the season. All of exhibition quality. Flowers have a great depth and good stems. Color, carmine pink blended salmon. Sounds good for both the garden and cutting, as well as the arrangement class. **2.00**

SMALL FRY M-FD 3 x 2 inches. Deep pink, very prolific cutflower. An astonishing number of blooms cover the small bushes all season. We are interested in the dahlias that we can use for bedding purposes, for what is more satisfactory than dahlias in the entire summer season? Let us try them in our borders. **1.25**

SPOTLIGHT BB-FD Another repeater in this column. Often when we lose a dahlia, we do not bother, for there are always better ones coming out. But again this is one of the musts. Brilliant orange-red with all good qualities. Good garden variety, and also a good exhibition dahlia. **1.00**

STARFIRE BB-IC 5 1/2 x 3 inches. A very narrow petaled bloom of deep red to salmon, which is a gem in floral arrangements, and a good exhibition variety. **1.00**

TARTAN B-ID 7-8 inches. We listed this dahlia last year, but had the misfortune to get the wrong flower, so we are trying again, for reports say it is the best bi-color so far. Mahogany petals, edged and tipped purest white for a globular shaped bloom of nearly equal depth as width. Stems strong and perfect. Challenge Cup for 1956. **1.75**

THE MASTER A-ID Bronze, shaded to sienna brown at center. A 12-inch Australian on steel-like stem. An absolute exhibition winner that you should not miss. **3.30**

UNICUM B-FD 5 ft. purest white. Vigorous and healthy. Stems good, and blooms have a splendid depth. Need a good white, try it. **1.85**

VADER DE LOOF B-SC Deep blood-red flowers on ideal stems. This is a very old one, that we grew many years ago, and then lost the stock. We have never grown one that bloomed more prolifically or was more satisfactory than this one, so we are again stocking it. If you like dark red flowers for your arrangements, try this one. **.75**
